There is no denying that the completely renewed Princess S65 is ubiquitous with its slim, streamlined shape that gives it a daring look.

The light, deep V-shaped hull delivers what it promises and achieves breathtaking speeds of up to 38 knots.

When the S65 is at anchor, a peaceful atmosphere settles on her spacious, well-appointed deck areas, while the hydraulically operated swim platform and 3.30 m tender attachment make the perfect launch point for water sports.

The boat's spacious interior can accommodate up to eight guests in four cabins, three of which are ensuite.
