The Sunreef Power 70 “Clouds” was created with high quality custom-made design, comfort, stability and safety. Every single space on the yacht is designed with the greatest attention to detail that emphasizes the luxury on board.

With its professional crew, “Clouds” provides guests with a high level of service and an unforgettable experience, thus increasing the quality of their stay on the yacht to the maximum level.

Skipper Stipe Mihatov

After graduating from high school in Zadar, Croatia, Stipe spent six months on LNG ships.

He got a skipper's license and started his career with sailboats and yachts.

For the past thirteen years he has worked on various yachts where he has learned to be a team player and an efficient worker who likes to see a job well done.

Stipe is positive, responsible, honest, patient, friendly and communicative.

He gets along well with people and handles stressful situations with a positive sense of humor.

Chef Mate Svirčić

With 20 years experience as head chef in most pristine kitchens on Croatian coast and after 9 years of running his own kitchen in a luxury restaurant on remote island in Kornati archipelago, Ravni Žakan, Mate delights the guests on “Clouds” with his creative dishes over the past two years. His speciality is fresh fish and seafood prepared with modern touch and contemporary presentation that give out his passion for cooking.

Hostess Matea Galić

Matea became a professional freelance hostess in 2021 after finishing hostess course.

With 3 years of experience and a passion for providing excellent service on yachts she is dedicated to creating a luxurious and pleasant atmosphere for guests and personalized guest experiences, managing onboard events and ensuring client satisfaction.

As a team player who is able to work under pressure and quickly adapts to new situations, Matea is an important part of Clouds team.
